About SENDAM 2026

Organized by the Indian Society for Non-Destructive Testing (ISNT), Thiruvananthapuram Chapter, SENDAM 2026 is a premier biennial Seminar and Exhibition on NDE and allied methodologies.

The 2026 edition focuses on the synergy between NDE and Additive Manufacturing, bringing together experts from academia, R&D, and industry.

Focus Areas:

- Advanced NDE: Terahertz, Infrared Thermography, PAUT, FMC/TFM, DR/CR/CT
- Additive Manufacturing: CT inspection, AI/ML, Design for AM, DED & WAAM

A concurrent exhibition will showcase state-of-the-art technologies from leading global players, fostering collaboration and innovation.

About ISNT Thiruvananthapuram chapter

ISNT Thiruvananthapuram Chapter is a leading professional body advancing NDE for over four decades through training, workshops, and technical programs.

Highlights:

- National Seminars: 1998, 2003, 2016 | Best Chapter Award (3 times)
- Strong institutional network: VSSC, LPSC, IISU, IPRC, IIST, BATL, SCTCE, CET
- Successful SENDAM series: 2019, 2022, 2024
- Active student chapters across six premier institutions

The Chapter continues to drive excellence in NDE through knowledge dissemination and industry-academia collaboration.
