ABOUT VSSC AND THIRUVANANTHAPURAM

Vikram Sarabhai Space Centre (VSSC), the lead centre of ISRO launch vehicles is a premier space research centre with state of the art NDE, Metrology & Mechanical testing facilities. With a supportive management, our chapter has always been getting the desired support for conducting seminars and workshops. The expertise in VSSC and other centres are channelized by ISNT Thiruvananthapuram for spreading knowledge about NDE. Thiruvananthapuram, the capital of God's Own country Kerala, is a globally popular tourist destination and is located in the southwestern tip of India. Named after Anantha Padmanabha or Lord Vishnu, the city is home to many ancient temples. But the landmark is the Sree Padmanabha Swamy Temple around which the city has been built on seven low hills. The wooded highlands of the Western Ghats in the eastern and northeastern borders give Thiruvananthapuram some of the most enchanting picnic spots. A long shoreline with internationally renowned beaches, historic monuments, backwater stretches and a rich cultural heritage make this district a much sought-after tourist destination. Clean and green, Thiruvananthapuram, the capital of Kerala is one of the most beautiful cities in the country. The city is connected to the rest of country by all means of transport like road, rail and air.

SENDAM 2024

Seminar & Exhibition on NDE & Allied Methodologies

Theme: Advances in NDE, Metrology & Mechanical Testing

JULY 26 & 27

Vikram Sarabhai Space Centre
ISRO, Thiruvananthapuram

Organized by:
Indian Society for Non- Destructive Testing (ISNT)
Thiruvananthapuram Chapter

www.isnttvm.org

About SENDAM 2024

Indian Society for Non-Destructive Testing (ISNT), Thiruvananthapuram Chapter has been conducting biennial Seminar and Exhibition, "SENDAM" with focus on NDE and Allied Methodologies of quality control and manufacturing. SENDAM 2024 is focusing on recent advancements in the fields of NDE, Metrology and Mechanical Testing which cover Non-Destructive & Destructive testing of materials and Metrology. The seminar will be conducted for two days with parallel sessions on NDE, Metrology and Mechanical Testing by eminent invited speakers, who are experts in these domains. The seminar will serve as a launch pedestal for latest trends in these areas with focus on original research findings. The invited talks in NDT are planned to cover latest advanced techniques like ECA, PAUT, TOFD, TFM, CT, THz Imaging and Spectroscopy, Advanced Thermography, Long Range UT, Shearography, etc. In mechanical testing, techniques such as fatigue & fracture testing for Gaganyaan and RLV, Cryo testing, Creep & Stress rupture Testing, High Speed Testing, Testing of Composites, Polymers etc., will be covered by domain experts in the respective areas. In Metrology area, measurements using automated in line systems and inspection of aerospace components using CMM, VMM, Surface roughness tester and CAD nominal and actual comparison etc. will be presented. An exhibition will also be conducted along with the seminar to showcase the advancements in this field by leading national/international suppliers and service providers. With the ever increasing demand for sophisticated instruments in the fields of NDE, Metrology and Mechanical Testing, this exhibition will, no doubt, be a win-win situation for both the exhibitors and the participants.

About ISNT Thiruvananthapuram Chapter

Indian Society for Non-Destructive Testing (ISNT), Thiruvananthapuram Chapter, is a pioneer professional body, engaged in propagating the science and technology of Non-Destructive Evaluation over the past four decades. The chapter conducts training programs, workshops, seminars and technical talks regularly so as to enlighten and enhance the knowledge on latest trends and methods in NDE field. Our chapter has successfully conducted National Seminar, "NDE" three times viz. 1998, 2003 & 2016 and won best chapter awards also three times. With strong institutions like VSSC, LPSC, IISU, IIST, BATL, SCTCE, CET and other academic institutions forming the bulk of the memberships of our chapter, we represent the entire spectrum of NDE applications. The Chapter has successfully conducted SENDAM 2019 with NDE & Metrology as theme and SENDAM 2022 with Advancements in NDE & Mechanical testing as theme. Induction of student chapters, a flagship program of ISNT, was successfully implemented in four premier institutions in Thiruvananthapuram and regular programs are being conducted for the benefit of the students.

Delegates Fee Structure (GST 18% extra)

ISNT Members	Non-Members	Students from Academic Institutions*
₹ 5000/-	₹ 5500/-	₹ 2000/-

*Letter from institution is required

Last date for registration: 15.07.2024

REGISTRATION DETAILS

Delegates may register through www.isnttv.org.

They shall make the payment and submit the filled Google Form. The payment details shall be emailed to

Email: sendam2024@gmail.com
manumilan@gmail.com

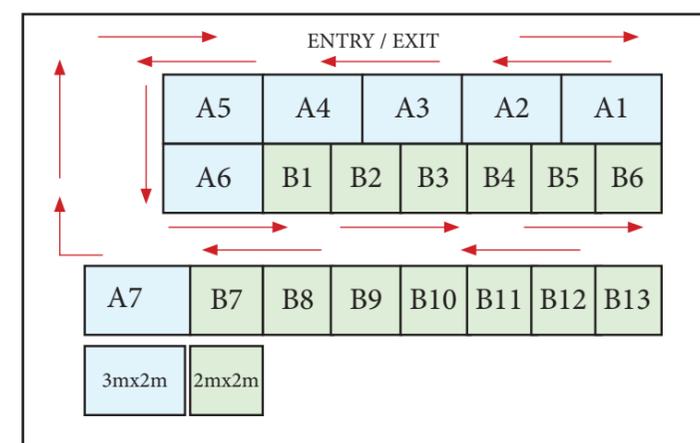

Whatsapp: +91 94962 74882

Limited accommodation is available at VSSC Guest House on twin sharing basis at nominal rates on first come first serve Mode.

BUSINESS OPPORTUNITIES

The seminar provides an opportunity for the suppliers and service providers of NDE, Metrology and Mechanical Testing by means of sponsorship, advertisements and exhibition to showcase their products to the focused audience and to interact with Scientists, Engineers, Managers and Academia.

Type	AMOUNT (GST 18% Extra)	Privileges to sponsors
Main Sponsor	₹ 2.0 Lakh	1 Page Colour Advt. in Souvenir 2 Free delegates
Associate Sponsors	₹ 1.0 Lakh	1 Page Colour Advt. in Souvenir 1 Free delegate

BANK ACCOUNT DETAILS

Payment shall be made by NEFT to the following account and transaction details shall be mailed to us

A/c Name : ISNT Trivandrum Chapter

A/c No. : 35702507537

Bank & Branch: SBI, Thumba, Trivandrum

IFSC Code : SBIN0002279

Page	Tariff (GST 18% Extra)
Back Outer Cover	₹ 50,000/-
Front Inner Cover	₹ 40,000/-
Back Inner Cover	₹ 40,000/-
Full Page Colour	₹ 20,000/-
Half Page Colour	₹ 10,000/-

EXHIBITION

Stall Details

A1 to A7 = 3m x 2m = ₹ 40,000/- plus 18% GST
 B1 to B13 = 2m x 2m = ₹ 30,000/- plus 18% GST

FACILITIES AT EACH STALL

1. Table - 1 No.
2. Chairs - 2 Nos.
3. Spot light
4. 5A & 15A Socket
5. Fascia
6. Food Coupons for Two Persons
